Inspection and Test Report

Saiwang Inspection and Testing Certification Co., Ltd. | No. 115 / No. 119 Long'an Avenue, Shapingba District, Chongqing | www.saiwangic.com | Postal code: 401120 | Tel / Fax: 023-60367868

Report Identification

Report No.: SCLG05202600398

Field	Information
Product	Bamboo-scented wood impact-resistant panel
Inspected company / manufacturer	Hubei Kaijie New Environmental Protection Materials Co., Ltd.
Applicant	Jiayu County Administration for Market Regulation
Inspection category	Supervisory spot check
CMA mark	222220340655

Sample Information and Inspection Conclusion

Field	Information
Product	Bamboo-scented wood impact-resistant panel
Trademark	/
Production date / batch	2026-04-21
Model / specification	1.22 x 2.44 (unit not printed)
Sample grade	Qualified product
Inspected company	Hubei Kaijie New Environmental Protection Materials Co., Ltd.
Inspected company contact	Pan Ping; 18727866560
Inspected company address	Park Road 2, Economic Development Zone, Yuyue Town, Jiayu County, Xianning City, Hubei Province, China (self-declared)
Manufacturer	Hubei Kaijie New Environmental Protection Materials Co., Ltd.
Manufacturer contact	/; telephone 0715-6061909
Manufacturer address	Jiayu, Xianning, Hubei, China
Task origin	Jiayu County Administration for Market Regulation
Quantity	3 test panels; 3 reserve panels
Sampling base / stock	760 panels
Sampling sheet No.	JY202604029
Sampling date	2026-04-22
Sample arrival	2026-04-27
Sampling personnel	Li Hongchang; Nie Yi
Seal condition	Packaging intact; sample seal intact
Seal checker	Li Yiwei
Test period	2026-05-06 to 2026-05-26
Test location	No. 119 Long'an Avenue, Tuzhu Town, Shapingba District, Chongqing
Inspection basis	Q/HBKJ001-2026, Bamboo-wood fiber wall panels
Issued	2026-05-29

Conclusion: following sampling inspection, the tested items meet Q/HBKJ001-2026; no nonconformity was found.

Remarks: blank. Approval, review and preparation signatures are preserved in the source.

Test Results

Item	Unit	Requirement	Result	Assessment
Surface resistance to staining / corrosion	/	No staining or corrosion	No staining or corrosion	Pass
Surface scratch resistance	/	No continuous scratches covering more than 90% of the surface; pattern undamaged	No continuous scratches covering more than 90% of the surface; pattern undamaged	Pass
Thickness swelling after water absorption	%	≤ 10.5	7.8	Pass

The test-method column reads GB/T 17657-202...; the final digits are cropped from the supplied scan and have not been guessed.

Sample Photographs

Figure 1: before opening the package. Figure 2: sample photograph. Below this is blank. See the attached source for photographs and the photographed sampling label.

Impartiality and Integrity Declarations

To uphold fairness, impartiality and integrity and ensure objective, independent inspection/testing, the company declares:

1. Strictly comply with national laws, regulations and departmental rules; maintain objectivity, independence, impartiality and integrity; uphold professional ethics, legal obligations and social and legal responsibilities; provide scientific, impartial, high-quality and efficient inspection services.
2. Regularly review and improve the management system to maintain its effectiveness.
3. Perform testing strictly under relevant standards and specifications; take responsibility for results and ensure reports are truthful, objective, accurate and complete.
4. Ensure staff are free from improper commercial, financial or other pressure and guard against commercial bribery.
5. Provide open, fair, voluntary and non-discriminatory testing services.
6. Conduct inspection impartially, objectively and independently. Staff must have no interest connected to the activities, data or results and must not engage in commercial or technical activities that adversely affect judgment. Staff must not participate in the design, development, manufacture, supply, installation, use, maintenance or recommendation of tested samples or competing products.
7. Ensure independent use of inspection/testing equipment, facilities and premises.
8. Treat different clients equally, provide attentive service and guarantee inspection quality.
9. Maintain confidentiality of state and business secrets learned through testing. Protect client technical information, test data and results, intellectual property and economic interests.
10. Regularly submit annual reports to the accreditation authority on continued conformity, inspection/testing activities and statistics, ensuring data authenticity.
11. Reject investments or sponsorships that impair impartiality; do not intervene in market competition or conflicts of interest among clients or participate in activities that impair independent judgment or testing integrity.
12. Do not obstruct testing-related client complaints and provide a reasonable response within the agreed period.

Integrity declaration: Saiwang Testing strictly implements GB/T 31880, Basic requirements for integrity of inspection and testing bodies; maintains an independent, impartial, scientific and honest management system; complies with relevant national laws and regulations; follows objective, fair and honest principles and professional ethics; ensures activities comply with industry norms; assumes social responsibility, maintains fair market competition and builds an impartial, scientific and trustworthy laboratory.
